

Planned price collection dates for the Icelandic consumer price index in 2018

8 - 12 January 2018
5 - 9 February 2018
5 - 9 March 2018
9 - 13 April 2018
7 - 14 May 2018
5 - 11 June 2018
3 - 9 July 2018
8 - 14 August 2018
10 - 14 September 2018
8 - 12 October 2018
12 - 16 November 2018
3 - 7 December 2018

As of January 2008 the consumer price index is based on prices collected during a one week's period in the middle of each month. Statistics Iceland is authorised to base the index on prices collected in a longer period. Therefore, the consumer price collection dates mentioned above are primarily for guidance. The price collection for the consumer price index is discussed in the law on the consumer price index, no. 12 from 1995 with later amendments.
